F O R W A R D

If we might have a second chance
To live the days once more,
And rectify mistakes we've made
To even up the score.
If we might have a second chance
To use the knowledge gained,
Perhaps we might become at last
As fine as God ordained.
But though we can't retrace our steps,
However stands the score,
Tomorrow brings another chance
For us to try once more

As we look behind the scenes we see the men who are elected in the community to transact the business necessary to keep our school system functioning smoothly.

These men have served faithfully for many years---Moses Jadin, 16 years; Cyril Neuville, 12 years, and William Delfosse is completing his fifth year of service. We take this opportunity to say, "Thank you."

Perhaps the most valuable result of all education is the ability to make yourself do the thing you have to do when it ought to be done, whether you like it or not; it is the first lesson which ought to be learned, and, however early a man's training begins, it is probably the last lesson he learns thoroughly - Thomas Huxley.

A new bus was placed in service again this year to make it a total of four buses now in operation. George Renard also joined the staff this year to drive the extra bus. Donald Wautier, Robert Zephirin and Harvey Vandertie who were with us for the past several years also helped to make our daily trips more enjoyable. Donald Alsteen took over the janitorial duties again this year.

To all staff members--here is another sincere vote of thanks. Through your many services which you have rendered us, our school has been a very pleasant one to attend.

Graduates

Class History

On May 24, thirty five senior students, the largest graduating class in the history of Brussels High, will assemble in the auditorium to receive their diplomas in a ceremony which someone has appropriately titled "Commencement." The road to completion has been a bright one, enlightened with experiences and learning that will be of future service to ourselves and our great nation.

The harassing days of our initiation didn't dim the hopes of our youth with its illusions, aspirations and dreams. Our Freshman spirit with that feeling that we could outlast anything and learn anything remained buoyant throughout the years.

Stars In My Crown

Our Sophomore year was crowned a success on the night of the annual Carnival as Pat Maccoux reigned as Queen. Already we had learned the lessons of cooperation and good leadership.

Florence Lampereur, James and Joyce Mallien, Myron Doell and Kathryn Kipp joined our class, increasing its membership to thirty four students. Mr. David was again our Principal with no change in the faculty. Roland Englebert was elected class President, Don Kaye, Vice President, and Ray Franda, Secretary-Treasurer.

Class rings plus the Prom equals a never-to-be forgotten Junior year. Looking back we realize what an important position it holds in our memories. This year, thirty five students represented our Junior class as Shirley Franda transferred from Sturgeon Bay High School to join our class. There was a slight change in our faculty as Mr. Byers replaced Mr. Kaminski as coach and Miss Sullivan took the place left vacant by the resignation of Miss Casat. Donald Kaye capably led the class as President; Murlin LaLuzerne as Vice President; and Shirley Franda served as Secretary-Treasurer. Bertha Delforge and Bernadette Jeanquart performed their respective duties of Editor and Assistant Editor of the Nine Till Four. Pat Chaudoir won an "A" rating at the state forensics contest. Our Carnival representative was Betty Lampereur and she was escorted by Myron Doell.

The memories of our prom will never grow stale. With an eighty mile-an-hour wind that night--how could it? Everything was different, even the lighting system. Not real stars, but a flashlight here and there until Swoboda's self-made lighting system took over as power lines went down in the windstorm. Our theme "Stairway to the Stars" provided a most appropriate atmosphere as the couples danced their cares away to the music of Howie Bowe. Robert Lardinois and Kathryn Kipp reigned as King and Queen

At last--our Senior year, the best year of our lives. Our Utopia is reached. All those wonderful opportunities provided for us by our parents and our neighbors have made us very grateful. Classes

Junior Class

As our senior year draws near, a happy junior year draws to a close. Twenty nine juniors have completed another successful year under the supervision of our class advisor, Mr. Byers. We were politically represented by the following officers; President: Jerry Schley; Vice Pres: Gloria Sacotte; Sec-Treas: Louis Neuville, and Student Council representative: Della Destree. Gloria Sacotte and her escort Cletus Fontaine represented our class at the Carnival. Our class cheerleader is Pat DeNamur.

Our beautiful class rings arrived at Christmas time to brighten our holiday season. Class talent sparkled in many different activities. Milton Hafeman and Cletus Fontaine won major letters in football and basketball and also took leading parts in dramatics. Glory Vandenhouten was the leading scorer on the girls basketball squad.

Talent shone brightly as many of our class participated in school activities. Gerald LuMaye, Donald LaLuzerne, and Robert Hafeman won letters in football and basketball. Shirley Bournoville was Captain of the girls basketball team. Joan Cumber has become a rather famous school artist.

Full use has been made of the new Home Economics and Agriculture building. These courses are golden opportunities for which we are thankful.

Sophomore Class

Forty-nine Sophomores, largest class in Brussels High School history, took another big step forward toward their most important goal--graduation. Only two have fallen by the wayside.

Pres. Bertha Nellis capably led the class with the help of Bob Hafeman, Vice President; Shirley Bournoville, Secretary, and Shirley Lampereur as Treasurer. Our advisor was Mr. Thielke.

Our Candidate, Shirley LeRoy won the ticket sales contest and was crowned Carnival Queen by Donald Tebon, her escort.

Freshman Class

Many new opportunities for learning brightened the hopes of our Freshmen when they entered the doors of Brussels High. Our class of 32 members found the new Home Economics Department and Farm Shop very interesting.

Through the fine cooperation of the upper classmen, we have made notable progress. Thirteen students participate in band, and five are in chorus. Lowell Pavlik, Glenn Griep, Kenneth Karnitz and Emery Vandenhouten made the B squad in Basketball. They are fine prospects for the varsity team.

The following class officers were elected; Elaine Guilette, Pres.; Glenn Griep, Vice Pres.; Joyce Kaye, Sec-Treas.; and Lowell Pavlik was our Student Council Representative. Miss Jarman and Mr. Roberts are our class advisors.

At the Carnival we were represented by Patsy Alexander and her escort Kenneth Karnitz.

If you want to belong to an organization that really means a lot to the school, join the band. It is the vim, vigor, and vitality of Brussels High.

All of the members of the band put in a lot of hard work this year in preparation for the various concerts and district festival. Competing in Class "C" at Algoma, the band upheld its fine record by winning an "A" rating in concert and a "B" rating in marching. Several soloist and ensemble groups also won "A" awards.

In addition to marching at the district festival, the band had the pleasure of participating in the State Legion Convention at Green Bay, and the Holy Name Rally at Appleton during the summer. It also participated in the big parade at Sturgeon Bay to help celebrate the "Sturgeon Bay Days." All in all we think the members had a lot of fun.

Band is an organization which really does something in a big way. When music begins to drift through the halls during the afternoon we all know Mr. DeNamur has stepped on his podium with his baton in hand to direct a peppy march or a dreamy waltz.

The Junior Band consists of 19 members who worked hard to present a Christmas concert. The members are eager to join the Senior band so that they can also participate in the Spring Music Festival.

Pep Band

The Pep Band is an energetic organization which has not been misnamed. Its Twenty members strike up lively tunes which speed our basketball and football players onward to victory. Bernadette Jeanquart is our leader.

Chorus

The chorus always stands by to offer a song to satisfy our musical appetites. Of course, the many new popular numbers which they sing furnish an attractive menu for new participants. The boys which have joined enjoy singing very much.

The group made several public appearances including the Christmas Program and Spring Festival. These activities are especially enjoyable. Mr. DeNamur is our director.

Dramatics Club

It must be wonderful to be a part of the stage. Thrills, chills, love, sorrow, money and poverty--all at the turning of a page. That's for me and about sixty-five other students of Brussels High.

The houselights are dimmed and a hush comes over the audience. Just for the price of a ticket we can glimpse and share joys and sorrows of rich and poor; the brave and the bold.

"Lights Out" was the intriguing title of the all-school play. The story takes place in Mrs. Harvey's mansion which seems to be haunted because the lights go out and unusual voices are heard. Cast included: G. Counard, B. Nellis, L. LeRoy, J. Cumber, D. Matzke, A. Conard, M. Mallien, J. Mallien, C. Fontaine, and M. Hafeman. Miss Kieferndorf is our advisor.

Forensics

Our forensics students, under the direction of Miss Kieferndorf and Mr. Byers, are giving a good account of themselves. The long hours of preparation have reaped rich rewards. Pat Chaudoir, who won an "A" rating at the state contest last spring, heads our group of representatives at the league contest at Casco this year. The day of elimination draws near with its exciting moments.

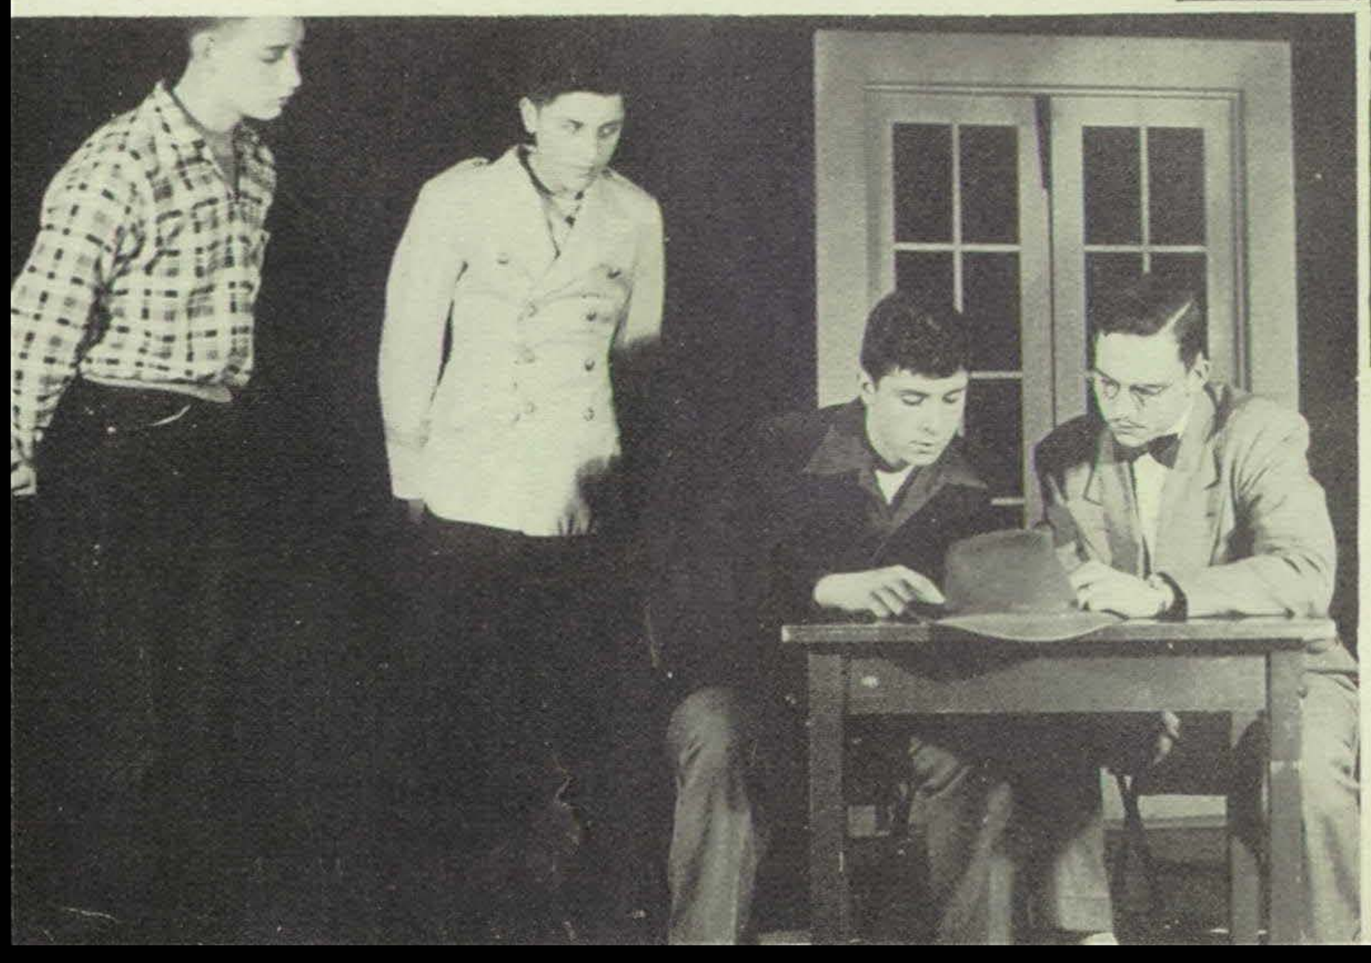
An exciting one-act drama, "A Woman of Judgment," was given for the Carnival. This play held the audience spellbound because of a psychiatrist's hypnotism of a timid and innocent little office girl. The cast was made up of: Stella, the maid-M. Mallien; Eugenia Powers, psychiatrist--B. Jeanquart; E. Waring, office girl--E. DeJardin; Mrs. Waring, J. Chaudoir; and Miss Ridge, detective-P. Chaudoir. This play was awarded a "B" rating at the district contest held at Casco on November 9. It was also presented at Luxemburg on November 16.



A fire in a hotel room provided a most unusual setting for a hilarious one-act comedy "The Still Alarm," which was also presented to the Carnival audience. Although expected to be very alarmed about the fire, the guests and firemen calmly joked about the situation and had a merry time.

Although the "Nine Till Four" continued this year as a monthly publication, several notable changes were made. One of the major transitions was the change from the two column to three column arrangement which characterizes large school newspapers. This allowed room for news headings and pictures which attracted attention.

The seniors assume the major responsibility for publishing our paper, but the reporters were made up of a cross section of the student body with everyone having an opportunity to sign up. Our able Editor-in-chief Bertha Delforge, and Feature Editor, Shirley Franda contributed many fine editorials.

For the fifth year, the senior class has carried on the Brussels High School custom of preparing an annual. The Bronco is the product of hard work and conscientious thought on the various members of the Bronco Staff.

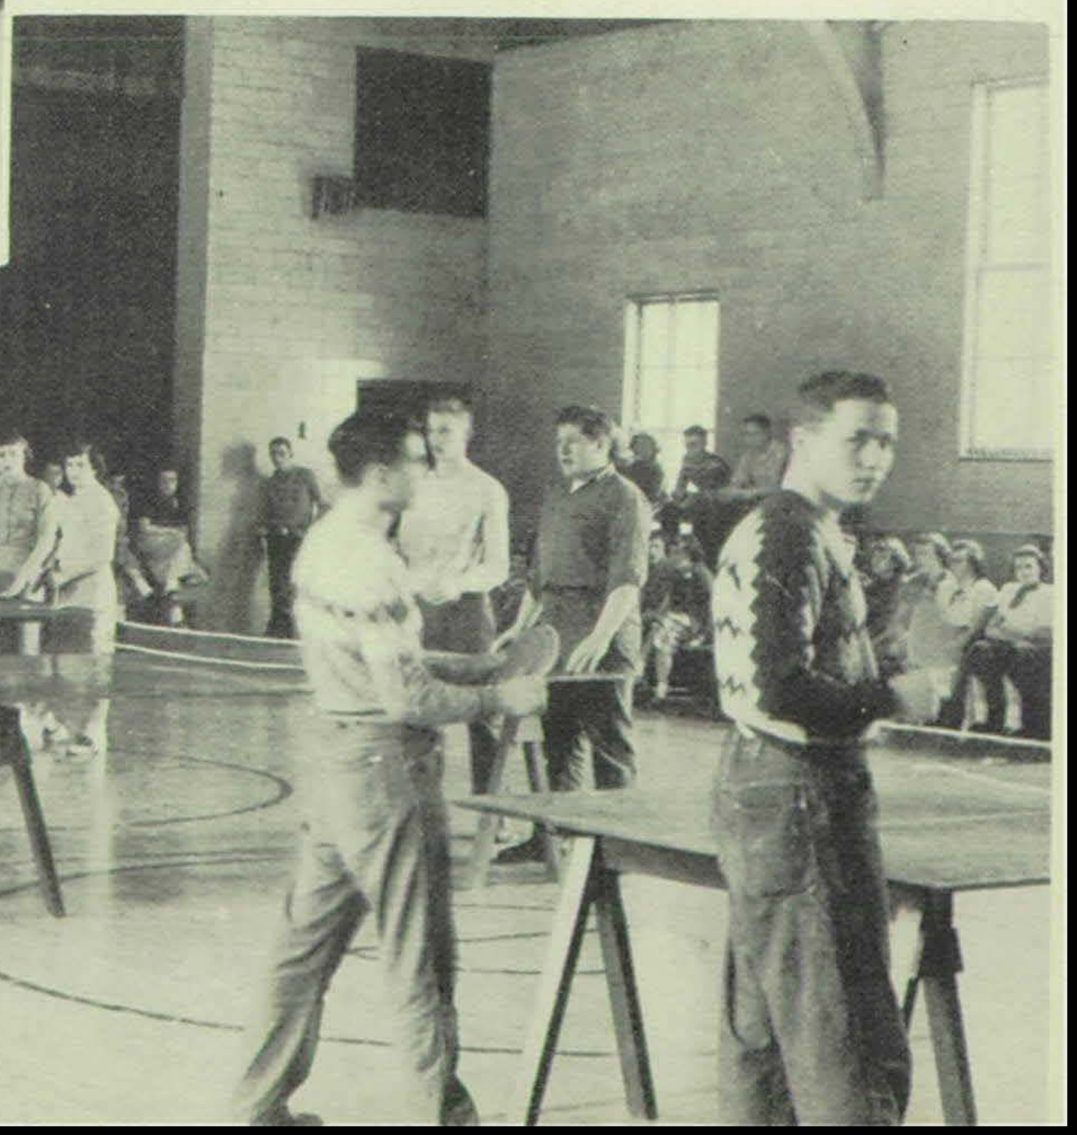
The members of the Bronco Staff with the assistance of the Editor Betty Lampereur and the Assistant Editor Shirley Franda, feel that they have done their best to produce a yearbook with emphasis on those things that most interest the student body. We hope this annual will give each student a lasting remembrance of his schoolmates and the various activities in which they participated.

Student Council

Standing: D. Tebon, L. Pavlik, J. Schley, G. Sacotte
Sitting: B. Nellis, E. Guilette, Mr. David, D. Destree

Acting on behalf of the student body, the Student Council is directly responsible for most activities relating to the school. This group, organized, in 1947 and made up of two representatives from each class, promotes activities which will benefit the student body and advance the interests of the school.

The Council under the direction of Mr. David holds frequent meetings with the following officers presiding: Gail Sacotte, Pres; Jerry Schley, Vice Pres.; and Bertha Nellis, Secretary Treasurer.



Among some of the activities planned by the group are the Carnival, school parties, and noon hour activities such as dancing, volley-ball, ping pong and our exciting basketball tournaments.

Future plans of the Student Council call for continued cooperation with the faculty, increased voice in school affairs, and the promotion of greater school spirit.

Library Club

New gaily colored pocket-size books, the best modern magazines, better stories as advertised by colorful book jackets, and nine hundred other interesting books attract more and more readers like flies to our library. The students find it a fine place for enjoyable reading and doing research work. Students also eagerly use the services offered by the Door-Kewaunee Traveling Library.

Seven Students act as librarians to keep order and assist those who need help. They work willingly under the supervision of Miss Kieferndorf. They are:

B. Lampereur, V. Retzlaff, G. Gustafson, C. Ferron, S. Kohlbeck, Miss Kieferndorf, E. Engebose, and S. Tremble.

Lunch Program

The "chow line" at noon may remind one of the army days but Mrs. Rass and Company form one of the most efficient assembly lines in this fair peninsula. One hundred eighty students get that "good home cooking!" in a hurry. A typical meal may include a barbecue sandwich with mashed potatoes and a delicious salad.

Future Homemakers

Meet the girls of the Future Homemakers of America club. They make the dough--in pans of course.

Though just newly organized, the club has been very active. Among other activities it sponsored a gala Sadie Hawkins dance on Friday night, November 10. The "female commandos" of Brussels High "shucked out their courtin' cash" and allowed the boys privileges that usually belong to the fair sex. Other activities were also a big success.

Pat DeNamur was elected President, Madella Baudhuin; Vice Pres.; Theresa Franda, Sec.; and Maxine Mallien, Treasurer. Miss Jarman, our home economics teacher, is our advisor.

Future Farmers

We are very glad to welcome another new organization to Brussels High--the Future Farmers of America. It boasts the largest membership in school--fifty-nine members.

The club is planning a Father-Son Banquet later in the spring and several other interesting activities. The plough boys are proud of their farm shop, one of the best in door county and have completed many interesting projects.

In the president's chair we have Gene Counard. His assistants are: Vice Pres.; Cletus Fontaine; Secretary, Lenius LeRoy; Sentinel, Jerry Schley; and Reporter, Donald LaLuzerne. Mr. Roberts is the club's advisor.

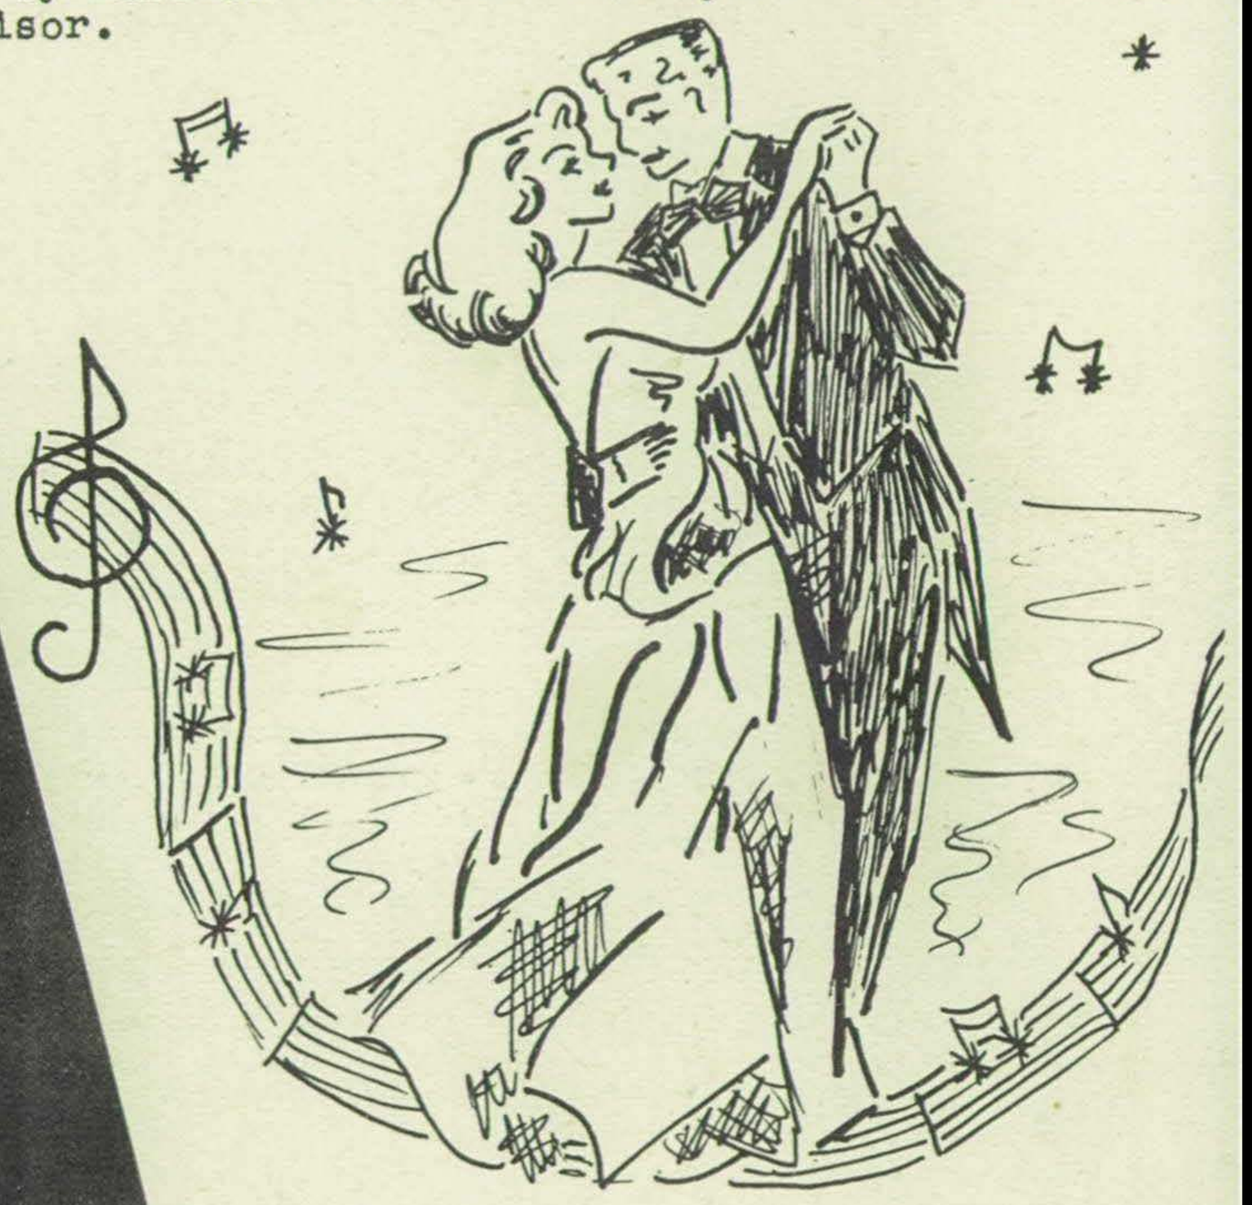
Prom

Mother Nature, with an 85 mile-an-hour gale provided an unusual setting for our Prom on the night of May 5, but the event was still a great success. The temporary blackout caused by the wind seemed to have been arranged according to plan.

The theme "Stairway to the Stars" was beautifully carried out in decorations of pink, yellow, blue and white. What a transformation from a basketball floor to a starlit "dancing palace-for-the-ritzy!" Carefree couples enjoyed dancing to the music of Howie Bowe and his Orchestra as flashlights realistically furnished the starlight.

Our King, popular Robert Lardinois, chose Kathryn Kipp as his Queen. Included in the court of Honor were: Vida Jadin, escorted by Donald Kaye; Janet Gustafson, escorted by Kenneth Seigworth; Pat Chaudoir, and her escort Ray Franda, and Bertha Delforge who was escorted by Roland Englebert. Shirley Franda was crown bearer and she was escorted by Sheldon Herlache. Mr. Byers was our class advisor.



Carnival

--an exciting weekend that kept one looking forward to it long in advance and remembering it long afterward, took place on October 28-29. Queen Shirley LeRoy, leader in the advance ticket sales contest, and her Princess, Patsy Guth, reigned supreme as their happy "subjects" made merry to the music of Bob Mlada and his orchestra. Shirley was the fourth consecutive sophomore candidate to win the queen's crown. The crowning took place at the Coronation Ball on Sunday evening.

The Queen's Court of Honor consisted of the candidates from other classes. Carol Koehler, the senior candidate chose John Lardinois as her escort. The junior candidate, Gloria Sacotte chose Cletus Fontaine. Patsy Alexander, the freshman candidate was escorted by Kenneth Karnitz.

Princess Patsy Guth was escorted by Gary LaLuzerne. The upper room candidates, Joan Swoboda, chose Rodney LeMense as her escort. Leatrice Marcelle, the junior Princess was escorted by her prince David Gerondale.

The various booths provided much exciting entertainment for the crowds who attended the carnival. This year's proceeds amounted to $600.80 which helped pay for our new inter-communications system which we recently purchased. We sincerely thank the surrounding merchants, our parents and friends, and students for their loyal support.

Although the record is not impressive, this year's edition of the Bronco football team showed fight and promise. Improving steadily despite lack of reserves, the boys culminated the season by a decisive defeat over Mischicot. Only a close defeat at the hands of Sevastopol prevented them from finishing with a .500 average for the year.

To say that the team wanted to win would be putting it mildly. Fighting against over-whelming odds both in number and size, on three occasions, they managed to let the opponent know they have been in a ball game.

Although several Seniors provided the nucleus of the team, many underclassmen developed into steady performers and promise greater things for the future. Excellent support by the Cheerleaders and student body helped keep the boys' spirit alive. With willing players and the continued support of those on the sidelines, it can be said with considerable certainty that the Broncos will be a threat in the conference next fall.

Showing marked improvement over last year, but hampered by bad luck and illness at crucial times, the 1950-51 Broncos finished fourth in the Peninsula Conference with four wins and six losses.

The climax of the year was reached at Denmark where this fighting ball club battled its way to the semi-finals of the District Tournament before losing to Denmark in a well-played game.

Among the moments of glory during the season was the overtime victory over Gibralter in the opening game of the conference schedule. The excellent team spirit, plus a strong finish, bodes well for the future of basketball at Brussels High School.

The "Busy B's" of our upper room took part in many activities. Seventeen of our twenty-five pupils were active participants in both Junior and Senior bands, and seven did twirling. Joanne Swoboda, as Princess, and Rodney LeMense, her chosen prince, were our couple of honor in the royalty procession for the 1950 Carnival.

The boys won the Southern Door County Grade Conference championship for the third consecutive season. They also took Championship honors in the 1950 League Tournament held at Brussels. Our cheerleaders for the year were: Vonnie Swoboda, Janice Ann Delfosse and Bonnie Neinas.

Memories of our Christmas pageant, school Carnival, and Holiday parties are still fresh in our minds. We won't forget "Jack-in-the Box," "Its the Fashion," and the other plays we presented nor all the fun we had at the parties. Carnival night was a big moment for our royalty, Princess Patsy Guth, and her Prince, Gary LaLuzerne.

Two boys participated in the basket-ball league games. Six girls are taking twirling, tap-dancing and acrobatics. Some of the other activities we carried out were: dramatization projects for the school booth and the picnic.

Everyone enjoys a visit in our primary room. The children are busy with many different activities such as posters, booklets, plays, and games, which are correlated with their class work. Seasonal decorations and other art projects helped make our room attractive throughout the year.

Our pupils took part in a short program given for the annual school Carnival, and chose Princess Leatrice Marcelle and Prince David Gerondale as their royal representatives. One of the main attractions on the Christmas program was our play, "Famous Shoe."
